

Dražen Lučić

Executive Director, HAKOM – Croatia

Mr. Lučić holds a Ph.D. degree from the Faculty of Electrical Engineering and Computing at University of Zagreb, Department of Telecommunication.

His career in telecommunication industry started in 1987 at Ericsson Nikola Tesla in Zagreb, Croatia, and was continued with internationally assignments for Ericsson. In more than 20 years in the industry he was mostly responsible for business development and sales to the leading telecommunication operators in European Union and in Israel.

He is Executive Director of Croatian Post and Electronic Communications Agency since 2009.
