

Zoran Vehovar

Vice President of the management board and CTO, Telekom Slovenije - Slovenia

Zoran Vehovar became Vice President of the management board and CTO of Telekom Slovenije in May 2010 after he had been CTO at the mobile daughter company, Mobitel.

He has more than 16 years of experience in mobile technology, particularly in network planning.

He graduated and finished his Masters studies at Faculty for Electrotechnics in Ljubljana, in microelectronics.
