

INTERNATIONAL

regulation made simple

media regulatory intelligence europe

Understand, track and monitor the changing face of media regulation with Cullen International.

The rise of OTT subscription services and of video-sharing platforms is creating a host of new challenges for policy makers, regulators and the communications, content and creative industries around the world.

Cullen International's Media service helps you to understand and keep track of the responses that are emerging at EU level and in a selected number of member states. It includes the regulatory treatment of traditional players such free to air and Pay TV commercial broadcasters and the public service media, cable and satellite operators and IPTV providers.

Topical coverage (selection)

EU level	National level
Advertising	Media pluralism
Protection of minors	Licensing and authorisations
Quotas	Accessibility
Jurisdiction	Public service media
