

Registering to Cullen International's training

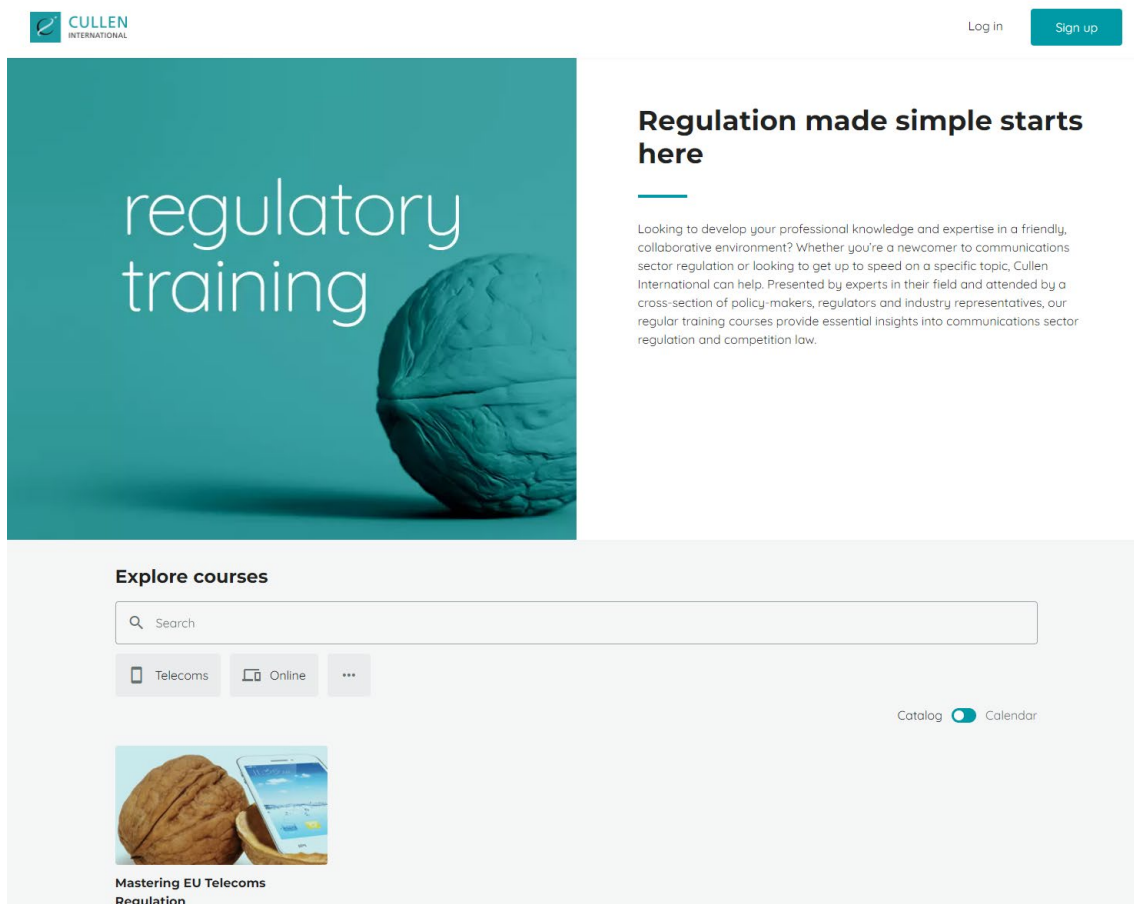

A guide to the learning platform

Cullen International has recently updated its course registration process.

To review our catalogue of available courses, visit [Cullen International's Academy](#) website.

Select your course

On the Cullen International's Academy homepage, click on the training of your interest.

The screenshot displays the Cullen International Academy homepage. At the top left is the Cullen International logo. On the right, there are 'Log in' and 'Sign up' buttons. A large teal banner features the text 'regulatory training' and an image of a walnut. Below the banner, the 'Explore courses' section includes a search bar, filters for 'Telecoms' and 'Online', and a 'Calendar' toggle. A course card for 'Mastering EU Telecoms Regulation' is visible, featuring an image of a walnut and a smartphone.

This will display the overview page of the training.

To enroll to the training, select the edition of the training for which you would like to register in [Schedule](#) (if applicable) and click on [Enroll](#).

Mastering EU Telecoms Regulation

Understand all you need to know about EU telecoms regulation in our online telecoms masterclass.

You'll gain a historical perspective on how the European communications sector has been regulated, as well as insight into the new trends and topics having an impact on telecoms regulation today.

Important notice

Our training courses are predominantly designed for the use of government entities, regulators, communications service providers or manufacturers.

We reserve the right to offer access to our training courses only to selected organisations.

Feel free to contact us if you have any question regarding your eligibility.
